GARLIC HERB SEASONING (Salt Free)

SUGGESTIONS:

The suggestions for this seasoning could be endless, since it is an excellent choice for whenever you want the influence of garlic. It is also versatile since it is salt free. However, we are going to shorten the list, by simply saying:

- Use this seasoning whenever your food will be enhanced by garlic, especially when desiring to omit salt.
- Great on baked potatoes or French fries
- Tasty on popcorn
- Ideal for garlic bread
- Wonderful on steaks, chops, chicken, fish and seafood (esp. shrimp)
